CORONAVIRUS UPDATE:

Dear Friends,

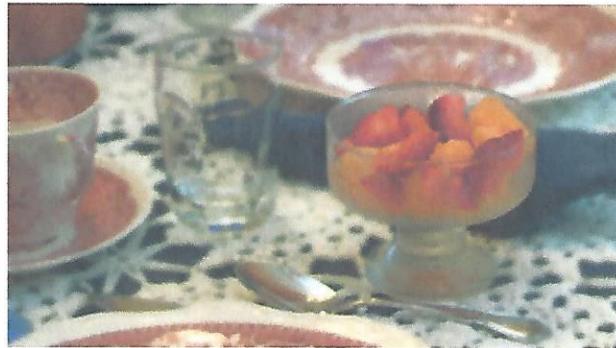

#InThisTogether is an appropriate tagline for the current times. As we face growing anxiety and concern, we understand safety and security for family and loved ones is a priority so travel and leisure is secondary. **For those who feel a visit to Tyler is not possible in the upcoming weeks, we invite you to call us at 903-592-2221 for changing your reservation to a future date.**

For those who must travel during this time, rest assured here at The Rosevine Inn, we are following all recommended state, health and government guidelines and the additional sanitation procedures have been implemented:

- We have several cottages that are self contained and breakfast can be brought to you for private dining.
- Our rooms in the Main House can be configured to maintain a private experience and breakfast will be different times so it is a private experience.
- You are welcome to bring take-out back to the Inn for your other meals, if necessary.

The duration of this situation is still unknown, but we are confident Tyler will weather this 'storm' as she has many others. Remember, **once you are ready to explore the fun and history in Tyler, Texas, the Rosevine Inn Bed & Breakfast and Extended Stay Suites will be ready to welcome you as usual.** Together, we will get through this and together we will become strong.

All the best to everyone,

Bert & Rebecca

PS - wash your hands, we do!
